American Youth Horse Leaders Symposium?

In 2019, this event will be held in Pullman, WA and Moscow, ID on March 7-10, 2019. Recipients of this award will receive all conference fees paid, a portion of transportation, lodging, and food expenses. How much of each is dependent on how many awards are given and where the event is located. This year, because the event is in the West, OHSET expects to take more participants – this may include driving or flying, this to be determined after participants are chosen; OHSET is planning to take two (2) adults with the youth who attend. The scholarships, while significant, will not cover all costs, athletes should be prepared to do some fundraising on your own to help cover costs. If you wish to apply for this trip opportunity, please fill out the following, very legibly.
